1 AGILE APPROACH

Customizable

LearnSpectrum enables you to completely customize your billing, reporting and portal access functions. In addition, we can implement an approval workflow process to allow individual approvals for each training request.

Scalable

Whether your company is small or large, we can tailor a training solution to your particular needs. We work with clients of all sizes, and can grow with your organization.

Strategic

LearnSpectrum works closely with team leads, managers, and company executives to determine and deliver the best training solution for individual or corporate needs.

2 STREAMLINED SOLUTIONS

Single Point of Access

Combining our breadth of training vendors and our proven ability to manage corporate training initiatives, LearnSpectrum is the ultimate "one stop shop for all of your training needs.

Variety of Options

When you or someone on your team has a need for a course with specific criteria such as location, date or price, LearnSpectrum will create a detailed option sheet that includes a list of reputable vendors offering the course and options you need.

3 PROVEN EXPERTISE

Premium Vendor Discounts

When you work with LearnSpectrum, you'll receive exclusive channel partner discounts from top ranked training companies nationwide. Attend the same course, with the same instructor, only at a lower cost to you or your company.

Administration

LearnSpectrum takes care of every aspect of the back-end administrative work that comes with training registrations. This includes, but is not limited to, booking, vendor payment, tracking, confirmations, rescheduling, troubleshooting, and cancellations.

Logistics Management

Have you ever wanted to bring a training event to your location but avoided it because it's too much work? LearnSpectrum can arrange all of the back end logistics for you. We'll ensure that your on-site event is a success.
