LEARNSPECTRUM FOR INDIVIDUALS

Develop the skills you need for success.

LET US FIND THE RIGHT CLASSES FOR YOU

Whether it is technical capabilities, IT certifications, or soft skills you need to do your job successfully, LearnSpectrum has the ability to identify courses to meet your objectives and set up the enrollment quickly, while coordinating with your employer.

FACTORS THAT INFLUENCE TRAINING DECISIONS

PROJECT REQUIREMENT

Your project or client requires a new skill or certification and you need to attend training in order to meet the requirement. LearnSpectrum understands the learning market and can quickly identify the best courses to meet your needs.

CAREER CHANGE

Your career objectives have evolved and you need to retool your skill set(s). Work with LearnSpectrum to identify the courses that will allow you to accomplish your new goals.

PRICING

You or your company has limited funds for learning development and you need to find the best value. Partner with LearnSpectrum to identify courses that align to your budget.

LOCATION/TIMING

The options for training courses can be vast, but you have a specific location or timeframe that you must work with. LearnSpectrum's consultants can quickly identify course options that match your location or timing preferences.

NEED EXPERT HELP

Let's be honest – sometimes it is simply overwhelming to try and find the ideal course option. Let our Client Success Consultants assist you in finding the best options to meet your needs.

THE VALUE OF LEARNSPECTRUM FOR YOU

CONVENIENCE

LearnSpectrum works with you to understand your priorities, including:

- **Location/geography:** We have global training options
- **Timing:** Is your need deadline driven? Is there a specific timeframe that is good or bad?
- **Delivery method** – Do you prefer a classroom setting or self paced training or something else?
- **Vendor preference** – Since we have relationships with hundreds of vendors, do you have a preference on who fulfills your learning needs?

QUALITY

- Extensive knowledge of the training industry
- Relationships with over 400 vendors
- Expertise in vendors by topic
- Authorized vs unauthorized curriculum
- Delivery method flexibility (instructor-led, self-paced, etc.)
- Access to subject matter experts who provide consultation on the best options to meet your objectives

COST

- Our enterprise savings allows us to pass savings on to you
- We do not charge fees; simply pay for the class you select
- You will get a better price than MSRP
- We save you TIME by doing the course research for you so you can stay focused on your job responsibilities

VENDOR CHOICE

- We are vendor neutral; we do not have specific agreements or incentives from training vendors, which allows us to recommend the best courses at the vendors that provide them
- We know the industry experts for the topics being taught
- We maintain a catalogue of over 37,000 courses at over 400 vendors and we add to it each day

HOW IT WORKS

YOU TELL US YOUR REQUIREMENTS (LOCATION, TIMEFRAME, BUDGET, ETC.)

We understand that your priorities are important

WE PROVIDE COURSE OPTIONS

Our consultants are experts in identifying the best courses across 400+ vendors

YOU SELECT THE BEST OPTION THAT MEETS YOUR NEEDS

You make the final decision on which course option and format you prefer

WE ENROLL YOU IN THE COURSE

Our consultants book the class for you and bill you for the cost of the course

In a competitive market, only the most qualified candidates get ahead and we're here to help you succeed.
